DONATED ART LIBRARY

Committee laments learning that the Gallery does not have space for the \$7,500 art library which FOHacaRG Inc donated at the time of the Gallery's opening. The contents—housed in 27 plastic boxes—are being stored in the basement of the Deerubbin Centre.

At the June Committee Meeting it was agreed the books should be collected and temporarily stored at the home of Secretary Margaret Ginnings .

Members recommendations on the future of this considerable resource will be appreciated by Committee. Your suggestions will be considered at the August General Meeting. Phone Margaret 45774440 or email Margaret Ginnings at mingteck@bigpond.com.
